

AGENDA FOR 22nd MEETING OF THE CONSERVATION COMMITTEE TO BE HELD ON 01/06/2020 AT 4.00 A.M. IN THE CONFERENCE HALL, MINISTER'S BLOCK, SECRETARIAT, PORVORIM - GOA

Item No. 1:- Confirmation of minutes of 21st meeting of Conservation Committee held on 21/06/2019.

Minutes of 21st meeting of the Conservation Committee held on 21/06/2019 were circulated among the members of the Committee. Since no comments have been received, the Committee may confirm the same.

Item No. 2:- Proposed construction of residential building (revised plan) at Sy. No. 9/2-A of Ella Village from Shri Dominic J. Remedios & Joaquim F. Brass Remedios POA Sebastio Salvador Fernandes. (File No. 27/15-3/761/TCP/19)

Shri Dominic J. Remedios & Joaquim F. Brass Remedios has submitted revised plan for construction of residential building.

Initial proposal was earlier discussed in 21st meeting of Conservation Committee held on 21/06/2019 and the Committee had decided as under:

“The Technical Members have inspected the site and observed that construction is already carried out at site and that the elevation as shown on the drawings does not tally with that actually constructed, as the same does not reflect the original features as approved by NMA or that earlier approved by the Conservation Committee.

It was therefore decided that the applicant/Architect/Engineer shall submit a revised plan by incorporating necessary changes in compliance with the plans earlier approved. Member Secretary was accordingly directed to communicate the said decision to the Tiswadi Taluka Office and to place before the forthcoming meeting of the Committee, the revised drawings, if received from the applicant”.

The said decision of the Committee was communicated to Tiswadi Taluka Office of Town & Country Planning Department.

The Department is now in receipt of revised proposal for construction of residential building. The applicant has incorporated necessary changes in compliance with the observations made by the Committee which was communicated to Tiswadi office vide letter dated 10/09/2019.

Site was re-inspected by the Technical Members of the Committee and observed the following:

1. The elevation submitted shall be as per the actual construction carried out at site.
2. Balconies on first floor having flat slab shall be shown with slopping roof.
3. Terrace shown as flat slab shall be shown as slopping roof.

The Technical Committee has recommended the proposal subject to compliance of the above observations.

The Committee may decide.

Item No. 3:- Proposed construction of compound wall at Sy. No. 152/1 of Ella Village of Tiswadi Taluka by Santa Monica of the Archdiocese of Goa and Daman. (File No. 27/15-3/871/TCP/2020)

The proposal is forwarded by Tiswadi Taluka for construction of compound wall. The effective plot area is 3530.00 sq. mts. As per Regional Plan 2021, the plot under reference is earmarked as Institutional zone within Archeological park and is accessible by existing road.

Site was inspected by the Technical members of the Committee and observed the following:

- 1) The title of the proposal shall be proposal for fencing.
- 2) There shall not be foundation laterite wall as shown in the Section and the fence shall be shown supported by poles only.
- 3) The foundation on laterite wall shall be substituted with poles at regular intervals to have minimum digging.

As per the preliminary discussion held with Sub-Committee members during site inspection, vide letter dated 21/05/2020, the applicant was informed to remain present along with Project Architect to discuss further on the proposal on 26/05/2020.

Pursuant to the discussion held with Sub-Committee on 26/05/2020, the applicant has now submitted revised drawings vide letter under inward No. 1363 dated 28/05/2020 complying with the observations and drawings revised accordingly.

The Committee may decide.

Item No. 4:- Proposed construction of residential house and compound wall at Sy. No. 94/2-A, plot No. 2 of Ella Village of Tiswadi Taluka by Mrs. Shanta B. Naik. (File No. 27/15-3/872/TCP/2020)

Tiswadi Taluka office has forwarded the proposal for construction of residential house and compound wall vide letter dated 13/01/2020.

As per Regional Plan 2021, the plot under reference is earmarked as Settlement zone within Archeological Park. As per the proforma forwarded, area of plot is 119.00 m², coverage consumed is 34.66 % and FAR is 79.47. Setbacks maintained and height of building are within permissible limit.

As per preliminary discussion held with Sub-Committee members during site inspection, vide letter dated 21/05/2020, the applicant was informed to remain present along with Project Architect to discuss the proposal on 26/05/2020.

Pursuant to discussion held with Sub-Committee on 26/05/2020, the applicant has now submitted revised drawings vide letter dated 28/05/2020 complying with the observations and drawings revised accordingly.

The Committee may decide.

Item No. 5:- Proposed construction of residential building (revised plan) in Sy. No. 16/1 plot No. 5 of Banguinim Village of Tiswadi Taluka by Mr. Suresh M. Kanvi & Mrs. Asha S. Kanvi. (File No. 27/15-3/760/TCP/2015)

The Tiswadi Taluka Office forwarded a proposal for construction of residential house (revised plan) which is received by the Department on 30/08/2019.

Conservation Committee in its earlier meeting held on 28/08/2015 had approved the proposal for construction of residential bungalow & compound wall in the plot under reference and the same was communicated to Tiswadi Taluka Office vide letter dated 08/01/2016 and accordingly Technical Clearance was issued by Tiswadi Taluka Office vide letter dated 08/01/2016.

As per the revised proposal and proforma submitted, total plot area is 438.00 sq. mts., coverage consumed is 26.70% and the FAR consumed is 49.48. Setbacks maintained and height of building is within permissible limit. Plot is accessible by existing 10.00 mts. vide sub-division road.

Site was inspected by the Technical Members of the Committee and it is observed that the construction of bungalow has been completed as per the revised plan submitted and it is at completion stage.

The Committee has recommended the approval of revised plan.

The Committee may decide.

Item No. 6: Proposed construction of residential building and compound wall at Sy.No. 16/1-C, plot no. 26 of Bainguinim village, Tiswadi Taluka for Mrs. Agnela Pereira e Correia through POA holder Shri Casmiro Santana Agnelo Correia. (File No. 27/15-3/862/TCP/2019)

The proposal was earlier discussed in 21st meeting of Conservation Committee held on 21/06/2019 and the Committee had decided as under:

It was informed to the Committee that the proposal is received from Tiswadi Taluka Office of Town & Country Planning Department for construction of residential building and compound wall. The plot is having an area of 461 sq.mts. and is earmarked as Settlement zone (S3) within Conservation area as per ODP of Panaji and Settlement Zone as per RPG-2021 beyond Archaeological Park.

The applicant has proposed coverage of 39.91 % and FAR of 75.24, with total proposed floor area as 346.86 sq.m. As per the proforma submitted, the plans are as per rules in force. The property is accessible by 10.00 mts. wide sub-division road.

On receipt of the application, the Technical Members have inspected the site, during which, the applicant was advised to submit a revised elevation incorporating certain details. Member Secretary informed that the same has been received. Technical Members however felt that certain clarity was still required in the elevational features especially in the columns shown at the ground level and in the details of chajja and rolling shutter.

On deliberation, Committee decided that the applicant still needs to submit the revised drawings as suggested. Technical Members were required to go through the revised drawings, once submitted and give their recommendation. Member Secretary was accordingly authorized to issue permission on receipt of favourable recommendation from the Technical Members on submission of revised drawings, if so received.

The said decision of the Committee was communicated to Tiswadi Taluka office of TCP Department vide letter dated 13/08/2019.

The Department is now in receipt of revised plan/drawings incorporation necessary changes and colour scheme in compliance with observation made by the Committee.

The Technical Sub-committee has recommended the proposal.

The Committee may decide.

Item No. 7: Revised plan of ground floor and first floor to existing blocks 9 and 10 at Sy. No. 14/1 of Bainguinim Village of Tiswadi Taluka by Fr. Mavrick Fernandes, Director, Caritas Goa, St. Xavier Centre for differently abled. (File No. 27/15-3/609/TCP/2020).

Tiswadi Taluka Office has forwarded a proposal for construction of ground floor and 1st floor to existing blocks 9 & 10 (revised plan) which is received by this office on 26/05/2020.

As per the proposal submitted, total area of the property is 37,575 sq. mts. Village Bainguinim is classified as VP1 category. Since the total area of the property is more than 4000.00 sq. mts., permissible FAR is 60. The coverage consumed (existing + proposed) is 11.80 % and FAR consumed (existing + proposed) is 14.52. The property under reference is accessible by 10.00 mts. wide existing road having proposed right of way of 15.00 mts. Blocks No. 9 and 10 consist of existing ground floor and part of Block No. 9 only is shown for demolition in the plans submitted.

The Committee may decide.

Item No. 8:- Amalgamation of plots and proposed construction of commercial building on land under Chalta No. 117 and 170 of P.T. Sheet No. 207 of Margao, Salcete for Shri Ravindra V. Kalekar. (File No. 27/15-3/805/TCP/2017)

The proposal was earlier discussed in 15th meeting of Conservation Committee held on 22/11/2017 and the Committee had decided as under:

“Member Secretary informed that the proposal is forwarded by the South Goa PDA vide letter dtd. 9/01/2017. The proposal is for construction of building having parking provision in basement and having shops on upper ground floor, 1st floor & 2nd floors with a height of 10.50 mts., having sloping roof.

It was informed that the Technical Members inspected the site and observed that the required access for parking area is not in conformity with the regulations in force and suggested that the building location be shifted on northern side of the property to derive benefit of dead wall. It was also observed that the proposed elevation has no relation to heritage character of the place.

The Committee deliberated on the same and decided not to consider the proposal as it required compliance of the observations as above and required revision of the elevation of the building so as to maintain the heritage character of the surrounding areas.

The proposal of construction of commercial building therefore stands rejected.”

The said decision of the Committee was communicated to Member Secretary, South Goa PDA, Margao vide letter dated 31/01/2018.

The Department is now in receipt of revised plan complying with observations made by the Committee.

The Technical members of the Committee observed that proposal submitted for approval of revised plans shall be first scrutinized by SGPDA for compliance of regulations such as minimum width required for Entrance Lobby, etc.

Sub-committee also observed that the steps shown does not match with elevation and recommended that the building footprint shall be shifted towards northern side, so that balcony can match with adjoining building.

The Committee may decide.

Item No. 9:- Proposed extension to existing Parochial house of Saligao Church at Sy. No. 6/1 of Saligao Village of Bardez Taluka by Fr. Mateus Francisco Fernandes e Rodrigues, Fabrica Da Igroja De Saligao, Mae de Deus Church, Saligao, Goa. (File No. 27/15-3/821/TCP-17-18).

The proposal is forwarded by North Goa District Office, Mapusa and received by this Department on 16/01/2020.

Conservation Committee had earlier approved the proposal for extension to Parochial House in plot under reference in its 15th meeting held on 22/11/2017 and the same was communicated to North Goa District Office vide letter dated 05/02/2018. Accordingly, North Goa District Office has issued approval vide letter dated 07/03/2018.

As per the proforma submitted, total area of the plot is 8500.00 sq. mts. Covered area of the existing structure is 1532.97 sq. mts. and the covered area proposed now is 395.52 sq. mts. Covered area approved earlier was 331.51 sq. mts. Area of the existing structure is 1775.29 m². Floor area proposed now is 972.69 m² whereas floor area approved earlier was 804.76 m². Proposed FAR is 32.33. Height of the proposed structure is 9.00 mts.

The Technical members of the Committee has scrutinized the proposal of extension to existing Parochial House of Saligao Church and has recommended the same.

The Committee may decide.

Item No. 10: Proposal for construction of alterations and internal deviations to existing St. Christopher Church in property at Sy. No. 563/18 at Tivim Village, Bardez-Taluka. (File No. 27/15-3/876/TCP/2020).

The proposal is forwarded by North Goa District Office, Town & Country Planning Department and received by this Office on 05/05/2020.

St. Christopher church is listed under Conservation as annexure VII C and is further listed and graded for conservation preservation as Heritage building/site. Alteration proposed to the Church are within the existing plinth area. Alteration proposed on first floor are change in use of rooms and some minor internal changes. Proposal of alteration is coming within 100 mts. from river bank at a distance of 34.67 mts. and also falls within 15.00 mts. from century wall and is at a distance of 11.00 mts.

The Technical members of the Committee observed that alterations proposed are within the existing plinth area and for change in uses of rooms only with other minor internal changes and hence recommended the proposal for approval subject to submission of detail drawing showing therein properly the alternations and internal deviations in the drawings.

The Committee may decide.

Item No. 11: Proposed restoration, alteration and addition to existing St. Rock Church at Sy. No. 1/3 of Village in Salcete Taluka. (File No. 27/15-3/873/TCP/2020)

The proposal is forwarded by South Goa District Office, Town and Country Planning Department and received by this office on 19/03/2020.

The President of Fabrica of St. Rock Church in letter dated 11/03/2020 has applied for Technical Clearance for restoration, alteration and addition to the existing St. Rock Church at Velim, Salcete Taluka. The plot admeasures

2650.00 m². The coverage consumed is 45.99% and FAR proposed to be consumed is 51%. The proposal comes under the list of protected monuments under the Directorate of Archives and Archeology, Panaji-Goa as notified from time to time under the State Act as listed under Goa Land Development and Building Construction Regulations, 2010. It is mentioned by office of Senior Town Planner (South) that the coverage consumed is 45.99, whereas permissible is 33 ⅓ and hence has asked for the relaxation in coverage.

The Committee may decide.

Item No. 12:- Issue of NOC for Land acquisition for widening strengthening of the existing road from Old Goa junction to Gaundalim Bridge approach including asphaltting from Old Goa Junction to Khandola College at Sy. No. 13/1 (part) and 13/2(part) of Ella Village of Tiswadi Taluka by Goa State Infrastructure Development Corporation Limited, Panaji-Goa. (File No. 27/15-3/870/TCP/2015)

As per Regional Plan 2021 property under reference is earmarked as Paddy fields within Archeological Parks and is affected by Right of Way of 20.00 mts. wide road.

Tiswadi Taluka office had earlier issued NOC for Land Acquisition for construction of approaches to Gaundalim-Cumbharjua bridge across river Mandovi vide letter 07/01/2005.

Tiswadi Taluka Office has informed that during site inspection it is noted that there are no structures/compound wall of any Archeological importance or having any conservation value within the area proposed for widening & strengthening of existing road.

Site was inspected by the Technical Members of the Committee and it is observed as under:

- 1) The area proposed for widening of the existing road is within the prohibited/regulated area of the protected monument.
- 2) Vide letter dated 04/05/2018, Archeological Survey of India has informed that the proposal of widening of road cannot be considered as the proposal of widening of road is within prohibited/regulated area of protected monument and that the proposed activity within buffer

zone area (protected/regulated) may have adverse impact on the Outstanding Universal Value (OUV) of the property.

The Committee may decide.

Item No. 13: Proposal by PWD for approval of taking up development works on the rear side of Bom Jesus Basilica of St. Francis Xavier, Old Goa. (File No. 27/15-3/875/TCP/2020)

The PWD, Work Division V, Panaji-Goa has forwarded the proposal for approval of taking up development works on the rear side of Bom Jesus Basilica of St. Francis Xavier, Old Goa to the Department vide letter ref. No. PWD/WD-V/ASW/F./2020-21/57 dated 22/05/2020.

The PWD vide above letter dated 22/05/2020 has informed that Rector of Bom Jesus Basilica has requested to expedite the development works of constructing compound wall and providing pavers on the rear side of the Basilica on urgent basis. Further, it is informed that thousands of pilgrims visit the Basilica to participate in the Novenas and feast of St. Francis Xavier and has further informed that these pilgrims take shelter in the corridors of the Basilica and the open courtyard on the rear side of the Basilica for 10 days and therefore considering the safety and security aspects for their stay on the rear side of the Basilica, it has been proposed to provide pavers and enclose the area with a compound wall.

PWD has also informed that the proposal has been approved by the Hon'ble Minister for PWD to take up the work on priority basis for which administrative approval has been accorded by the Government vide note No. BJ/SFX/GOVT./19/72 dated 23/10/2019.

The Technical Members of the Committee observed that a proper proposal shall be submitted to Tiswadi Taluka Office for obtaining Technical Clearance order for the proposed compound wall. Also, NOC from ASI and NMA need to be obtained for the said proposal.

The Committee may decide.

Item No. 14: Notifying the ruins of the church and convent of Nossa Senhora do Carmo, Chimbél, Tiswadi, Goa as heritage structure.(File No. 27/15-3/857/TCP/2019)

The proposal to declare the ruins of the Church and convent of Nossa Senhora do Carmo, Chimbél, Tiswadi, Goa's heritage structure was earlier placed in the 21st meeting of Conservation Committee held on 21/06/2019.

The Conservation Committee after deliberating in the same meeting held on 21/06/2019 considered the proposal to declare the ruins of the church and convent of Nossa Senhora do Carmo, Chimbél, Tiswadi, Goa as heritage structure and Member Secretary was accordingly directed to undertake the further procedure in this regard, as required under the Goa Land Development & Building Construction Regulations, 2010 and by obtaining necessary documentation from the concerned.

Accordingly, the proposal regarding declaring the ruins of the church and convent of Nossa Senhora do Carmo, Chimbél, Tiswadi, Goa was referred to the Government as per the Rule 27.IX (2) (4) of the Goa Land Development and Building Construction Regulations, 2010 on recommendation of Conservation Committee for according approval.

The Government vide Note ref. No. 27/15-3/857/TCP/2019/3126 dated 06/12/2019 has approved the said proposal as recommended by Conservation Committee.

As per Rule 27.IX(2)(4) of the Goa Land Development and Building Construction Regulation, 2010, objections/suggestions were then invited from members of public regarding declaration of the above referred building as "Heritage building".

Whereas, no objections/suggestions are received from public within stipulated time of 30 days. Proposal is therefore placed before the Conservation Committee to finally notify the said building as "Heritage buildings" in accordance with regulations 27.IX(2)(4) of the Goa Land Development and Building Construction Regulation, 2010 as approved by the Government.

The Committee may decide.

Item No. 15: Listing of Buildings and Sites of historic and aesthetic importance of the ruins of the Church and convent of Our Lady of Mount Carmel, Chimbél, Tiswadi, Goa. (File No. 27/15-3/881/TCP/2020)

The Discalced Carmelite Monastery vide letter dated 22/05/2020 addressed to Hon'ble Dy. Chief Minister/Minister for TCP has pleaded to expedite the ruins of the Church and convert of our Lady of Mount Carmel as "Buildings and Sites of historic and Aesthetic importance in Goa" under Section 6B, clause 2C(XI) of the Goa Land Development and Building Construction Regulations, 2010. The proposal is already before the Conservation Committee.

In the letter dated 22/05/2020, it is further proposed for decision as under:

- a) From the larger 3.8 hectares site to incorporate an area of about 0.6 hectares that encompass with the ruins including the following:
 - (i) Old compound wall.
 - (ii) Entire area of the ruins of the convent as it contains graves of many Carmelite priests and others.
 - (iii) The old compound in front of the façade.
 - (iv) The façade that remains standing today.
- b) The balance land from the larger 3.8 hecter site to be frozen for being shown as "public open space" in the Regional Plan of Chimbél Panchayat when prepared and as asked for by the Community.

The request as made by Discalced Carmelite Monastery is therefore placed before the Committee to decide.

Item No. 16: Identification of Historical Iconic Monument for the State of Goa. (File No. 15-3/874/TCP/2020)

A letter from Delhi Development Authority (DDA), New Delhi under Ministry of Housing & Urban Affairs, Government of India vide letter ref. No. PA/AC(LS)/DDA/2020/19 dated 25/02/2020 is received informing that DDA intends to develop iconic park as "Bharat Vandana Park (BVP) at Sector-20, Dwarka, New Delhi".

In this regard in order to showcase the rich heritage of the State, the Government of Goa is required to identify at least one historical icon/monument of the State.

The Technical members of the Committee deliberated in the matter and decided to identify the following structures of historical icon/monument of the State of Goa.

- 1) The Reis Magos Fort at Verem, Bardez-Goa.
- 2) The Basilica of Bom Jesus at old Goa, Tiswadi-Goa.
- 3) Shri Mahadev Temple at Tambdi Surla
- 4) Shri Manguesh Temple at Mangeshi Village, Priol, Ponda-Goa.

The Committee may however decide finally on identifying one structure for the purpose as requested by DDA.

Item No. 17: The proposal for preparation of Master Plan for the Heritage Panchayat of Se-Old Goa by Charles Correa Foundation (CCF). (File No. 27/15-3/877/TCP/2020)

The Charles Correa Foundation (CCF) has submitted proposal for preparation of Master Plan for the Heritage Panchayat of Se-Old Goa, which is received by the Department on 22/05/2020.

CCF in the above proposal has submitted that the Panchayat of Se-Old Goa poses a unique challenge towards spatial, environmental, transport and heritage planning. Further, CCF has stated that members of CCF team, in the process of their research, found that there has been various developments since the preparation of the Village Panchayat development plan by the TCP Department, since 2009, which warrant immediate update in the form of a detailed Local Area Development Plan (LAP) for the Village Panchayat of Se-Old Goa.

CCF has informed that the preparation of Master Plan for the Heritage Panchayat of Se-Old Goa will be a 10 months project in two parts.

1. Area development plan for the village Panchayat of Se-Old Goa under Section 17 of the TCP Act.

2. A Heritage management plan for archeological park identified at Old Goa in the Regional Plan for Goa 2021.

CCF has submitted in the above letter an estimate of Rs. 18 lakhs for preparation of Master Plan for the Heritage Panchayat of Se-Old Goa.

The Committee may decide.

Item No. 18: Proposed construction (revised plans) for addition to the existing Church and Priests Residence for Jesus Maria Jose Church Fabrica De Igreja in Sy. No. 294/1 & 2 of Village Nuvem, Salcete-Goa.TPM/48114/Nuvem/294/1&2 (File No. 27/15-3/879/TCP/2020).

The South Goa District Office of Town & Country Planning Department forwarded proposal for construction (revised plans) for additional to the existing church, Priests Residence for Jesus Maria Jose Church Fabrica De Igreja in Sy. No. 294/1 & 2 of Village Nuvem, Salcete, Goa to this office on 28/05/2020.

Earlier, the proposal for construction of Church building in the property under reference was approved by the conservation Committee in its 12th Conservation Committee meeting held on 28/04/2016 under item No. 15.

The proposal (revised plans) is submitted for affecting changes to earlier approved plans of existing Church & Priests Residence which is in the plot having an area of 13,001.00 m². The coverage consumed is 36.35% and FAR consumed is 62.23. The height of the Priest Residence Building proposed is 9.90 mts. as against permissible 9.0 mts. The revised proposal is only for addition of hall to the basement.

The Church Building is listed in the list of protected monuments at serial number 24 of Church and temples of Salcete Taluka as per the Goa Land Development and Building Construction Regulations, 2010.

The Committee may decide.

Item No. 19: Proposed part reconstruction and addition to existing Church building at Sy. No. 1 of Colva Village of Salcete Taluka by Fr. Simpliciano N. Fernandes – TPM/32478/Colva/1/2020 (File No. 27/15-3/880/TCP/2020)

The South Goa District Office, Town & Country Planning Department forwarded the proposal of re-construction & addition to Our Lady of Merces Church in Sy. No. 1 of Colva Village, Salcete Taluka to this office on 28/05/2020.

The proposal of re-construction and addition to Our Lady of Merces Church involves renovation and extension to existing structure 'A' and structure 'B' which comprises of building having stilt parking on ground floor and one bedroom on first floor.

The area of the property is 8800 m². Coverage proposed is 39.37% and the FAR proposed to be consumed is 58.09. The property is abutting existing MDR.

The Committee may decide.

Item No. 20: Nomination for co-opting the members.

In exercise of the powers conferred by clause 4 of the Annexure-IX appended to the Goa Land Development and Building Construction Regulations, 2010, the Government of Goa vide Notification No. 27/15-3/C.C./TCP/2017-19/350 dated 13/02/2020 has re-constituted Conservation Committee consisting of 13 members.

The Conservation Committee may decide on nominating/co-opting additional members in the Committee as per the powers conferred in the Goa Land Development and Building Construction Regulations, 2010.

Item No. 21: Proposal by Goa Tourism Development Corporation Ltd. (GTDC) for NOC for proposed re-surfacing of the existing tarred Helipad Area and providing pre-fabricated (Mobile) Toilet Facility at Helipad at Fort Aguada, Candolim village, Bardez Taluka.

The proposal received by Competent Authority for the State of Goa vide letter dtd. 28/5/2020 under Project “Development of Fort Aguada as Heritage Destination” sanctioned under Swadesh Scheme of GOI (Tourism Ministry) submitted by GTDC for proposed re-surfacing of the existing tarred Helipad Area and providing pre-fabricated (Mobile) Toilet Facility at Helipad at Fort Aguada, Candolim village, Bardez Taluka.

The proposal for granting NOC to undertake work of re-surfacing to the existing Helipad area and parking and installation of pre-fabricated toilet blocks for the tourists falls outside 100 mts. radius of Aguada Fort which is an ASI monument. However, the proposal falls in the purview of the National Monuments Authority (NMA) of India.

The proposal consists of Area to be re-tarred is 5569.21 sq.mts. and new area to be tarred is 4022.15 sq.mts. Pre-fabricated toilet blocks are also proposed for ladies, gents & disabled in the re-tarred area of the Helipad.

The Committee may decide.

Item No. 22: Any other item with the permission of the chair.
